11 completed the Course

Graduation Ceremony loading.....

Congratulations to these **11** students, **06** being females (Saida Msangawale,, Obi Mwashuiya,, Aruni Mwamponeke, Sibia Mlalami,, Daniel Mwashuiya,, Arifa Nzunda,, Grace Kayange,, Defina Msangawale,, Raina Mkondya,, Asante Mgalah and Adam Mng'ong'o) who have successfully completed a **04** months FREE of charge computer course training offered at our facility in Nambinzo village. This course is designed to take young people preferred students into Computer world by learning **Intro** to **Computer** and **Microsoft Applications** such as **Word, Excel, Power Point** and **Publisher**.

Success deserves cerebation

We have planned a simple graduation celebration event in **February 22**, to congratulate our candidates on this amazing step in their life. The event will have Certificate presentation, Cake cutting, drinks and photos sessions.

Join us in this event to congratulate the first graduates from our our Lab.

2023-2024 Report just released

Our Organization, Financials and Impacts as of 2023-2024

Thanks for 2023-2024

2023-2024 ANNUAL REPORT

Prepared By.

Baraco

Dear All,

Thank you for your support as of 2023-2024. With your support we were able to establish a computer lab which serves as a Computer training centre in Nambinzo village. Our report of 2023-2024 has summarised all information about the milestones covered from Financials to Impacts made.

Please read full report through this link below to get full insight of what we achieved together in 2023-2024.
